FOR IMMEDIATE RELEASE

BRIAN SCHULTZ EARNS NAFI MASTER INSTRUCTOR ACCREDITATION

KALAMAZOO, MI — 06/14/2018

The National Association of Flight Instructors is proud to announce that NAFI member Brian Schultz has earned accreditation as a NAFI Master Flight Instructor.

Schultz has been flying since 2000 and has been flight instructing since 2002. He said he has a strong passion for teaching and loves passing along his knowledge. Schultz holds an ATP certificate in both airplane single engine and multi-engine land, type ratings in the CE-500, CE-510S, CE-525/CE525S, and Lear Jet, a commercial single engine sea certificate, Gold Seal certified flight instructor rating, certified instrument instructor rating, multi-engine instructor rating, and advanced ground instructor rating. Schultz has flown corporate Part 91 in

aircraft from a PA-32 to a CE525 all over world, Part 135 charter service in a CE-500 in North America and was an instructor at numerous flight schools, including Flight Safety where he instructed on the LR-jet.

Schultz currently is teaching students from private to ATP. He specializes in turbine transitions for owner pilots. He is also involved with his local airport advisory board, as check pilot for the 501 Squadron of Civil Air Patrol, the local airport AOPA ASN, is a FFAST Representative and Beechcraft Pilot Proficiency Program Instructor.

*The **NAFI Master Flight Instructor program** is the longest running and most prestigious FAA accredited master flight instructor program in the industry. The NAFI Master Instructor accreditation is earned by aviation educators based upon a system of advanced professional standards and peer review. The accreditation identifies and publicly recognizes those teachers of flight who demonstrate an ongoing commitment to excellence, professional growth, and service to the aviation community. The NAFI Master Instructor accreditation is for two years and may be used to renew an FAA flight instructor certificate. Applicants must have been a CFI for two years and have given 1,000 hours of flight instruction. In addition candidates must meet and document activity in four NAFI Master Instructor categories (Instructor, Educator, Service to the Aviation Community, and Professional Activity).*

*Members of the **National Association of Flight Instructors** work as independent instructors, at flight schools, universities, FBOs, corporate flight departments and in the military. Since 1967, NAFI and its members, who teach in 30 countries, are dedicated to increasing and maintaining the professionalism of flight instruction. NAFI members influence active pilots daily: students working to become pilots, current pilots training to advance their skills with new ratings or certificates and pilots who seek to improve their skills with recurrent training. NAFI also serves as an advocate with industry and government as a voice for flight instruction. NAFI helps shape the current and future direction of flight training.
