FOR IMMEDIATE RELEASE

SAM LINDSAY EARNS NAFI MASTER INSTRUCTOR ACCREDITATION

KALAMAZOO, MI — 1/8/2024 The National Association of Flight Instructors is proud to announce that NAFI member Sam Lindsay has earned accreditation as a NAFI Master Flight Instructor. This is Lindsay's second NAFI Master accreditation.

Sam Lindsay is an independent flight instructor located in the Smoky Mountains of North Carolina. He is an Air Force veteran and former first officer for Continental Airlines. Currently Lindsay specializes in Mooney and Van's Aircraft training and transitions throughout North America, in addition to local primary and advanced flight instruction. He has been instructing since 2001 and has accrued 5,700 hours of

flight time since becoming a pilot in 1996. Sam is an FAA Safety Team representative, and when not flying, is an active astronomer and amateur radio extra class examiner.

*The **NAFI Master Flight Instructor Accreditation** is earned by aviation educators based upon a system of advanced professional standards and peer review. The accreditation identifies and publicly recognizes those teachers of flight who demonstrate an ongoing commitment to excellence, professional growth, and service to the aviation community. The NAFI Master Instructor accreditation is for two years and may be used to renew an FAA flight instructor certificate. Applicants must have been a CFI for two years and have given 1,000 hours of flight instruction. In addition, candidates must meet and document activity in four NAFI Master Instructor categories (Instructor, Educator, Service to the Aviation Community, and Professional Activity).*

Members of the **National Association of Flight Instructors** work as independent instructors, at flight schools, universities, FBOs, corporate flight departments and in the military. Since 1967, NAFI and its members, who teach in thirty countries, are dedicated to increasing and maintaining the professionalism of flight instruction. NAFI members influence active pilots daily: students working to become pilots, current pilots training to advance their skills with new ratings or certificates and pilots who seek to improve their skills with recurrent training. NAFI also serves as an advocate with industry and government as a voice for flight instruction. NAFI helps shape the current and future direction of flight training. For more information about NAFI or the NAFI Master Instructor program call **866-806-6156** or visit www.NAFINet.org.
