

## **NAFI Professional Development Program News November 13, 2019**

NAFI now has 20 Professional Development Program (PDP) course offerings. Five new courses are available to access through the members-only section of the website. NAFI uses an integrated learning management system (LMS) allowing you to take courses any time at your convenience, and, as needed, to begin a course and come back to complete it at another time.

Course category and titles listed here:

### **Instruction Category:**

1. *Promoting Learning by Managing our Responsibilities:* Mike Thompson, CFII and Retired college dean
2. *Slow Flight, Stalls and Spins: Training for the Traffic Pattern:* Thomas Turner, American Bonanza Society, CFII/MEI/ATP

### **Leadership Development:**

3. *Media Relations: How to handle the media after an accident* Ted Sanders, CFII/MEI, ATP, Former 3-Time NAFI MCFI, United States Marine Corps Retired, Retired Police Sergeant

### **Risk Management and Human Factors:**

4. *Using Checklists and Flow:* Craig O'Mara CFII/MEI, Retired 787 United Check Airman, Retired United States Air Force, NASA Pilot
5. *Teaching Is More Than Flying:* Maureen Garrow CFII, 2-Time NAFI Master CFI

You can expect to receive more detail on these courses soon. As the PDP continues to increase course options it is vital we receive member feedback. Email John Niehaus, Director of Program Development at [jniehaus@nafinet.org](mailto:jniehaus@nafinet.org).
